

Carter Land Trust, headed by Maury L. Carter & Associates, paid \$15 million cash, or about \$2,601 per acre for 5,766 acres fronting the Southern Connector, State Road 15 (Narcoosee Road) and Moss Park Road near Orlando International Airport. Sellers were Charles E. Bradshaw Jr., Lake Trimbey Groves Inc. and Hi-Acres Inc. The tract has extensive frontage on lakes Hart, Buck and Red and has been in the Bradshaw family for more than 40 years, according to Maury L. Carter and his son Daryl M. Carter who brokered the transaction. The Carters say there are no immediate development plans for the land.
