

Lake Sumter

COMMUNITY COLLEGE

Office of the President • Dr. Charles R. Mojock

February 12, 2008

Dear Friends,

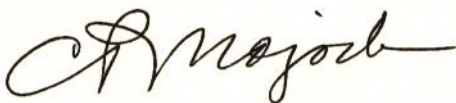

On behalf of the Lake-Sumter Community College Board of Trustees, you are cordially invited to a reception in honor of the Maury Carter family on Tuesday, February 26, at 5:30 p.m. outside the third floor Board Room of the South Lake Campus Higher Education Facility. A special presentation will be made honoring the Carters, both Maury and his son Daryl, upon the convening of the Board's monthly meeting at 6:00 p.m.

It is due to the generosity and support of the Carters and the foresight of community and college leaders that LSCC was able to establish a campus to serve South Lake County. Through this collaboration, the South Lake Campus came to be during a time of unprecedented growth. This spring term, the campus enrolled over 1500 students. Our academic partnerships with the University of Central Florida continue to expand. Our strong relationships with Lake County government, South Lake Hospital, the National Training Center, and the Lake County School Board have resulted in the planned construction of a community/college library, a professional softball complex, and a proposed health sciences magnet high school and laboratory facility.

Because of the magnanimous contribution of valuable acreage by Maury Carter and his family, a grandiose dream became a reality. As a small token of the college's gratitude, the District Board of Trustees will name the entrance ways and the interior roadway of the South Lake Campus "Daryl Carter Boulevard." Though future facilities and roads will be added, Daryl Carter Boulevard will not only be the first honorary namesake on the campus, but also will symbolize always the most significant path to a higher education.

Please RSVP your attendance by calling Linda Holiman at 352-365-3523 or emailing her at holimanl@lsc.edu, by February 21. We look forward to seeing you on Tuesday, February 26.

Sincerely,

Charles R. Mojock, Ed.D.
President
