## Land parcel near airport bought for \$5.5M

Orlando Business Journal - January 10, 2007

A South Florida company has purchased 34 acres of industrial property near Orlando International Airport.

Miramar-based National Constructors Inc. says it plans to build 400,000 square feet of flex/office/warehouse space on the site, which it purchased for \$5.5 million from Carter-OCC Land Trust.

The property is located in the Orlando Corporate Center and has frontage along Goldenrod Road near Lee Vista Boulevard.

Maury Carter & Associates of Orlando represented the land trust in the sale.
