DREAM HOME POTENTIAL

This property is truly a rare find. This land borders the Seminole State Forest which consists of approximately 27,000 acres of conservation land used for recreation. Horseback riding, hunting, hiking, canoeing, bird watching, camping and other activities are available on these 58 acres. In addition, enjoy and take advantage of many of these same activities on the vast landscapes of the state-owned lands.

Looking for a perfect place to build your dream home? Look no further. Make this property your "ball of clay," turn it into your dream estate for hobby farming, equestrian activities, cattle ranching, country living or whatever you desire. Like to hunt? Draw game off of the national forest onto your "private preserve." Utilize wide open spaces with beautiful backdrops for target shooting. These 58 acres (and the surrounding areas) are teeming with an abundance of deer, turkey and other species of wildlife. Escape the city life. Enjoy peace, quiet and serenity.
