### APOPKA IN THE NEWS

#### **Apopka approves land-use change for 242 apartments along Plymouth Sorrento Road**

By Dustin Wyatt dwyatt@growthspotter.com | GrowthSpotter Published: October 9, 2023

"Plans by OneEleven Residential to bring a 242-unit apartment community to Plymouth Sorrento Road in Apopka took a step forward this week when the city council agreed to a request to change the future land use for 13 acres just north of US-441.

The proposal to swing the land from its original agricultural designation to high-density residential has been met by pushback from residents concerned about increased traffic along this stretch of the city. But a member of the project team told council members that if this were denied another developer could come along and utilize the new Live Local Act to build a much-denser multifamily community without needing commission approval."

#### **AdventHealth eyes new campus in booming metro Orlando development**

By Ryan Lynch | Orlando Business Journal Published: August 25, 2025

"AdventHealth plans major presence in Wyld Oaks, Apopka's 215-acre, mixed-use development. Wyld Oaks will feature 6,000 residential units and extensive commercial space. Apopka experiences rapid growth with 80 developments announced since 2020.

This new site is separate from land AdventHealth already owns east of SR 429, where a freestanding emergency room previously has been proposed.

Wyld Oaks is set to transform the area with more than 6,000 residential units, 1.5 million square feet of industrial space, 300,000 square feet of retail, two hotel sites and more than 20,000 square feet of medical office space.
