Uptown Toho is a ±69.56-acre mixed-use destination at the center of Osceola County's growth. Six sites totaling ±51.72 acres support up to 804 multifamily units, a grocer-anchored center, village retail, and medical uses under Community Center zoning.

The demand is already here: more than 23,000 homes are planned or under construction within five miles, led by master-planned communities like Tohoqua as well as Kindred, Edgewater, and CrossPrairie.

Neptune Road links the site directly to Kissimmee, and Florida's Turnpike gives quick access to Orlando. Together they make Uptown Toho a natural hub for Central Florida's southern growth corridor.

GROWTH IN THE CLOUD:

LONG OVERSHADOWED, ST. CLOUD IS QUICKLY BECOMING A CENTERPIECE OF CENTRAL FLORIDA'S MOMENTUM

By: Riley Benson, Orlando Business Journal
March 26, 2026

"Osceola County has become one of the fastest-growing local regions, with its population increasing 70% over the past two decades to more than 460,000 residents, according to the county. By 2050, that figure is expected to exceed 700,000."

$36 million Cross Prairie Parkway connector to create critical link in southern Osceola County

By: Stephanie Rodriguez | October 12, 2026 | ClickOrlando

County officials and project partners gathered to mark the milestone on the approximately $36 million project, which has been a primary transportation priority for the Osceola County Board of County Commissioners for the past two years. The approximately 1.6-mile extension will close that gap, creating a new route between the future Nolte Road Turnpike interchange and the C-31 Canal, connecting to the existing Cross Prairie Parkway in the Tohoqua neighborhood. The project is fully funded for design and construction. As a design-build project, it is anticipated to be complete and open to drivers by summer 2028.

Atlantic Housing buys multifamily site in Tohoqua

By: Laura Kinsler | September 10, 2026 | GrowthSpotter

Winter Park-based Atlantic Housing Partners is doubling down on St. Cloud, paying $10.7 million for a multifamily site in the Tohoqua master-planned community on Cross Prairie Parkway.

Spanning 785 acres, Tohoqua is one of a half-dozen master-planned communities making up Osceola County's East of Toho Mixed-Use District. It was envisioned as a true mixed-use community with entitlements for over 2,200 single-family homes, 1,000 apartments, a 200-room hotel and nearly 500,000 square feet of commercial and office space. The concept plan also calls for a K-8 school and a high school. The School District of Osceola County has purchased both school sites but hasn't commenced construction on either campus.
